

High Tech Weekend

3-D Lake Contour Maps

Learn to create files and use laser engravers to engrave and cut 3-D lake contour maps using Corel Draw. This project can be used to introduce students to laser engraving, basic CNC and design. It can also be considered for a fundraising activity.

Sat., Sept. 7

Little Chute High School

8 a.m. - 3 p.m.

Cost - \$80

Includes breakfast, snack and lunch

Every attendee will create and bring home a 3-D lake map

Register today. Contact Jon Larson at jl Larson@littlechute.k12.wi.us for more information.
