

WTEA 2021 Virtual Conference & Trade Show

March 4, 2021

Due to the restrictions on education caused by the pandemic our spring conference will be held as virtual event. The conference site will go live on Thursday, March 4th and will remain active and accessible to our members until mid-July. There are several ways you can participate and have a virtual presence. See the information below for details. If you have any questions please contact Tom Barnhart or Joe Ciontea.

Be A 2021 Conference Sponsor

We have space on the conference home page for a limited number of Gold Level Conference Sponsors. The sponsor windows will be the principle image below the menu bar. The sponsor box will include a title and a logo or photo of your choice and will link directly to a window of text, links, You Tube videos, etc. about your products and services. We will work with you to design your space. The sponsor fee is \$800.

Exhibitor Listing

The conference website will have a menu item labeled Trade Show Exhibitors. We will include your business in that list for only \$35. We will show a thumbnail image of your logo next to 3 lines of text (company name, contact person, and contact information. Contact us to be included.

Conference T-Shirt

- We will be printing a conference T-Shirt and will mail it out to all members who register for the conference.
- We will include your company logo on the T-shirt in one color for \$400. Logo must be approx. 9 sq inches
- Do you have something you want us to mail in the package with the shirt? Call us and ask how!

Give Away a Free Gift and Build your Contact Database

We have set aside some special spaces for teachers to sign up for a free gift. You select and ship the prize to the winner while collecting the contact information from everyone who signs up. Ask us for details!
