About Fox Valley Tool and Die

- State of the art equipment and technology.
- We have been in business since the 1960s and are family-owned and privately held.
- We have two large machine shops (65,000 square feet) and one warehouse/saw department.
- All of our facilities are located in Kaukauna.
- FVTD is a precision machine shop that is focused on providing quality parts to our customers

Benefits of FVTD YA Program

- FVTD's goal is to give students exposure to the full manufacturing process.
- Our goal is not only to build our future workforce at FVTD but also to drive/create interest in manufacturing and the skilled trades industry overall.
- Paid on-the-job training and work experience by skilled mentors.
- Frequent face-to-face performance evaluation of student's progress that is geared toward developing the student in a work environment.

Benefits of FVTD YA Program

- Saw Department/Parts and Materials Warehouse
- Stamping Department
- Shipping and Receiving
- Machining Centers
- Inspection Department
- Tool & Die Shop
- Manufacturing Operations

Interested in YA Program at FVTD

- Come into FVTD for a Plant Tour
- Fill out an application, transcripts, and complete mechanical assessment.
- Talk with your counselor about your classes and work hours
- Offer letter and start date, training videos, and paperwork.
- Introduced to mentor and first rotation!
