About WrenchWay

Mission: Help solve the technician shortage

Solutions:

- Top Shops
- Reverse Job Posts
- School Connect
- WrenchWay Insiders
- Top Schools

Discussion

- How do you connect with businesses?
- What challenges do you experience working with industry?
- What has been helpful when working with industry?

Why Build Relationships with Industry?

- Keep curriculum up-to-date and close skills gaps
- Get students more exposure to the industry
- Improve your program by getting resources and donations from local businesses

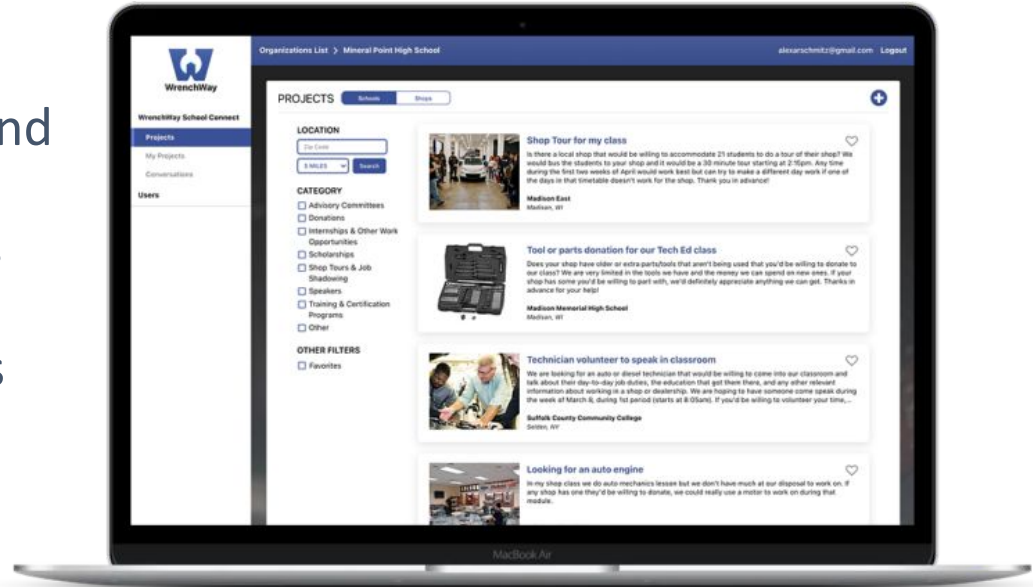

Best Practices for Engaging with Industry

- Have advisory committees and make sure meetings are effective
- Go visit local businesses and develop relationships
- Invite local businesses to visit your class
- Tell local businesses how they can help

What is WrenchWay School Connect?

WrenchWay School Connect

- Connect with local shops and dealerships
- Browse available resources from shops
- Post requests for resources
- Free to use

ABOUT US

Mt. Horeb High School has about 750-800 students and is located in south central Wisconsin. Our High School has robust programs in Technology and Engineering and Ag Sciences that offer courses in mechanics. Located near both an urban center (Madison, WI) and in the heart of a rich agricultural industry - Students find many career opportunities. Our graduates often attend Madison College or Southwest Technical College after graduation, in addition to entering many apprenticeships in the trades.

ABOUT US

The Freedom High School Automotive program came to life in 1972 under the guidance of Bob Abitz, who built the program over an outstanding 35 year career. Over the years this program has grown into one of the most renowned and accredited programs in the state and even the nation. Current instructor Jay Abitz has taken the program to the next level by introducing new curriculum, teaching practices, tools and technology and continuing to grow the program.

FHS is well known for its success through the SkillsUSA (formerly VICA) collision repair contest with 26 state champions (state record) and multiple finishes inside the top 10 at nationals including 3rd (Nick Heiptas 03) and 2nd (Brian Vanderheiden 19). In 2021 Luc Murphy made history becoming the first national champion for Freedom

SHOP TALK

This video highlights the hands on skills taught and applied at Freedom High School!

Videos - Why Create Videos?

- Industry wants to see what schools are working on
- Attract more students to your class/program
- Help promote technician careers and the industry
- Connect with local shops and dealerships for resources
- Educate parents on the value of your class/program
- Video content drives more engagement and interest

Shop Talk Videos - What to Post

- Classroom tours
- Meet the instructors
- Student testimonials
- Highlight curriculum
- Message to parents

WATDA Scholarship

The Foundation of the Wisconsin Automobile & Truck Dealers is pleased to announce that scholarships will be available in 2022 for graduating high school seniors, adult students and continuing technical college students who are pursuing a career in the auto and truck industry. Current technical college students must be in their first year of a two-year program to be eligible. Scholarships consist of tuition,...

Post Requests

The screenshot shows the WrenchWay 'Add New' form for posting a request. The form is overlaid on a page for 'Mt. Horeb High School'. The form fields are as follows:

- Type:** A dropdown menu with 'Requests' selected.
- Title:** An empty text input field.
- Description:** A large text area for the request details.
- Expires on:** A date picker set to '03/22/2022'. Below it is a checkbox labeled 'Does not expire (until explicitly set as expired)'.
- Categories:** A list of checkboxes for selecting categories: Advisory Committees, Donations, Internships & Other Work Opportunities, Scholarships, Shop Tours & Job Shadowing, Speakers, Training & Certification Programs, and Other.
- Main Image:** A field for uploading an image, partially visible at the bottom.

The background page includes a sidebar with navigation links (School Connect, Users, Guides, Preferred Partners) and a main content area with filters for LOCATION (City/State or Zip Code, 5 MILES), CATEGORY (Advisory Committees, Donations, Internships & Other Work Opportunities, Scholarships, Shop Tours & Job Shadowing, Speakers, Training & Certification Programs, Other), POSTED BY (High School, Post Secondary, Industry), and OTHER FILTERS (Favorites).

Requests - What to Ask For

- Advisory committee members
- Donations (i.e., tools, parts, equipment, etc.)
- Internships & work opportunities
- Scholarships
- Shop tours & job shadowing
- Speakers (in person or virtual)
- Training & certification programs
