The image features five software icons arranged on a background of turquoise water with white foam. The icons are: 'Ps' in a black square with a blue border; 'Ai' in a dark brown rounded square; 'Id' in a dark red rounded square; 'Pr' in a dark blue rounded square; and 'Au' in a dark blue rounded square. The background is framed by a white border.

Mosinee DECA prepares emerging leaders and entrepreneurs in marketing, finance, hospitality and management. Our purpose is to enhance the high school experience through real world business exposure while promoting community responsibility, leadership, and fiscal responsibility.

This year, we're attending the Emerging Leaders Conference in Wisconsin Dells in November, the Sports and Entertainment Marketing Conference in December, the State Career Development Conference in Lake Geneva in March and the International Career Development Conference in Atlanta in April. These events provide students with life-long experiences in a variety of business venues. DECA also supports career trips in Accounting to Milwaukee and a Merchandising trip to Minneapolis. All of these events provide lifelong learning experiences in a number of business career areas.

In addition to these trips, Mosinee DECA provides a variety of community service events to its members including: Trick or Can for the Community Center of Hope, DECA Dodgeball for MDA, this event, Polar Plunge for Special Olympics and helps with a variety of other community events, all offering service experiences for its members.

Mosinee DECA develops work and entrepreneurial skills through its school store, Mo-Town Market. We also provides social events and events involving networking and career development. The most coveted activities of experienced DECA members in competitive business events. Mosinee DECA has been among the top bringing home numerous awards at district and state levels individually and chapter awards at state and International levels. The chapter hopes to continue its success by not only taking competitors to Atlanta, but also seeking to get them on stage in a venue of 18,000 of the top International high school business competitors. Follow our dreams! They are #limitless.

We encourage you to reach out to Mosinee DECA and get involved with our endeavors.
