Any assigned drawing may be resubmitted once. The original and revised drawing must be turned in together no later than the drawing's due date. If the resubmitted drawing is error free the score will be improved to, whichever is higher, a "C-" or 10% will be added to the original score.

If the original drawing was below 70%, a "C-", and the revised version was not error free a third opportunity will be given to achieve a 60% score.

**Drawings may be submitted after the due date with a 10% penalty.**

Late drawings may be resubmitted if the score is below 60%. If the late drawing is resubmitted error free the score will be increased to total 60%. If not, a third opportunity will be given to achieve a 50% score.
